5. The State/UT Governments shall foresee the overall requirement of IFS Cadre while formulating their Cadre Review proposals and the Cadre Review proposals shall be so worked out as to ensure smooth career progression of IFS officers.

Exodus of senior doctors in AIIMS

†1247. PROF. RAM DEO BHANDARY: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the details including names, departments and service records of senior doctor who have left All India Institute of Medical Sciences during the last one year;

(b) the reasons for their leaving AIIMS;

(c) whether they have followed the service condition while leaving AIIMS;

(d) whether administrative reasons are also responsible therefore;

(e) whether Government have conducted any inquiry therein, if so, the details thereof; and

(f) the steps being taken by Government to retain doctors in AIIMS?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) to (f) During the year 2005, six faculty members left the service of the Institute. During the year 2006, five faculty members have left the service till July, 2006. The details are as per Statement-I and II. (*See* Below)

The faculty members have either taken Voluntary Retirement or resigned from the service of the Institute on personal ground. One of the term of reference of the Committee under the Chairmanship of Dr. M.S. Valiathan was to make recommendations on the efficient utilization of manpower resources with respect to attracting the best talent, retention of faculty, provision of better opportunities for utilizing the talent available and optimization of scientific/technical/non-technical manpower.

Deaths of children due to various diseases

†1248. SHRI MOTILAL VORA:
MS. SUSHILA TIRIYA:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that there has been an increase in the cases of deaths of children suffering from meningitis, pneumonia and septumia due to malnutrition and poverty in the country;

(b) whether it is also a fact that the number of children dying of these diseases in creche, nursery and play schools has been found alarmingly high;

(c) whether the number of deaths of children as a result of meningitis, pneumonia and septumia has increased due to the increasing resistance to pencillin and other antibiotics; and

(d) the details of special measures taken by Government to save the children from the above diseases?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) and (b) The data relating to mortality of children due to meningitis, pneumonia and septumia and children dying of these diseases in creche, nursery and play schools is not centrally maintained. However, no increase has been noticed in
